**Remember: As a driver, you will never be required to make a payment for any work done on your vehicle.**

It's up to you to have your vehicle regularly serviced. Check the manual in your vehicle and ensure that your vehicle is serviced as per the stipulated service intervals.

A list of Eqstra preferred and approved service centres can be found on our website or you can find a supplier on the app.

Alternatively, our Eqstra contact centre agents are available to assist you. You may request an Eqstra agent to make a booking on your behalf.

Should your vehicle be out of warranty, Eqstra may elect to service/maintain the vehicle at a non-franchised service centre.

When delivering your vehicle to the service centre, please notify the service agent that the vehicle is managed by Eqstra and that they should contact Eqstra to obtain authorisation before commencing the work.

Please ensure that your service manual is stamped by the service centre upon completion of the work.
