

e-Tag

Get started

Your vehicle has been registered with the South African National Roads Agency Limited (SANRAL), and you will have received your vehicle-specific e-Tag.

Please ensure that the e-Tag is affixed to your vehicle's windscreen behind the rear-view mirror.

- Fit the e-Tag horizontally.
- The e-Tag should not obstruct the driver's visibility.
- Try to leave room for the e-Tag to slide from its bracket after it is mounted.

Updating your driver details

To ensure a full-service experience, please update your driver details using the driver details update functionality on our driver app.

How it works

The e-Tag is used to pay for all toll plazas across South Africa.

Where the e-Tag is not accepted, make use of your designated fuel card.

If you experience any technical difficulties or failed transactions with the e-Tag, or if the e-Tag is lost, please contact us on:
